Logging in to ClickView

1. Navigate to http://online.clickview.com.au/SignIn, or click on the link to any ClickView video.

2. Enter your CGGS email address. If you do not already have a ClickView account, one will be created for you. You should now be redirected to the Single Sign On (SSO) login screen. If this does not occur, enter the password that you chose when you set up your ClickView account. (If you cannot remember this password, use the 'Forgot your password' link.)

3. On the Single Sign On login screen, enter your username (Staff ID number) and password.

If you have difficulty logging in, please email SS Library, or contact the Library Media Assistant directly on extension 361.
